

Discovery Vine: Harris Newsletter

January 2017

On behalf of Discovery Vine we would like to wish you all a Happy New Year, we hope you all enjoyed the Christmas break.

Updated Website

We have a new website - check it out at www.discoveryvine.co.uk

Themes and Activities

We have decorated our display board with your children's hat designs, come and see if you can find your child's.

We will be doing activities related to Chinese New Year and getting the children to try some different foods relating to the celebrations.

Breakfast Club

If your child attends breakfast club and requires breakfast please ensure they are at the setting before 8:20am to ensure they have enough time to eat a healthy meal.

Winter Clothing

As it is starting to get colder please make sure your child brings a coat. If they have hat, gloves and scarves please make sure they all have your child's name in.

School Activities

Please remember to inform us if your child / children will be taking part in any of these. We work very closely with school staff at the end of the day to ensure all children get to where they are meant to be, but it can be a very hectic process for us and the school if we have to keep asking which children are in the clubs.

Please also remember to let us know if you are collecting your child from school on a day when they are booked into the After School Club.

Registration Details

Please remember to update us with any changes to your child's personal details e.g; change of address, health & dietary information etc and your contact numbers in case of an emergency. If you are not sure of the details we have for you and your child please ask a member of staff to show you your registration form.

Holiday Club

We are running a Holiday Club during February half term in our childcare centre at Longsands. Please ask for further details if you need a place.

Pre-School Nursery

We are excited to announce that Discovery Vine will be opening a Pre-School Nursery at Cottam Primary School in April 2017. Please ask if you would like further information or a prospectus. We are now taking bookings for the Summer term and also for September 2017.

Discovery Vine App

May we remind you that we have an App that you can download onto your phone. We are using this to improve our communication links between staff and parents with monthly newsletters and push notifications/messages that you will receive once you have registered. You can use the app to view staff profiles, download our prospectus or view a copy of our policies and procedures. You can also use it to change your booking pattern or update your registration details if you wish.
