

Discovery Vine: Longsands Newsletter

January 2017

We hope you have enjoyed your Christmas break and are enjoying being back with us.

Themes and Activities

Throughout January, our focus will be on Winter and Chinese New Year. The children will learn about what happens during Winter and they will take part in a range of activities in the creative area. In Pre School, the children will be having a mathematic focus by looking at different sized icicles and categorising the icicles into the correct piles.

Moving on to Chinese New Year, the children will be learning to write in Chinese, count up to 10 and create traditional crafts such as Chinese dragons and lanterns.

In February, the older children in After School Club will be moving on to a Harry Potter topic and the younger children including Pre School will be moving on to Superheroes.

Holiday Club

Friday 10th February the school closes for Half Term, we will be running holiday club for anyone who needs it.

Extra Curricular Activities

If your child attends an extra curricular activity in School then please can you let a member of staff know.

Winter Clothing

As the days are getting colder, darker and wetter, please can all children come into Pre School, Before and After School Club with waterproof clothing, hat, gloves, scarves and wellington boots.

Goodbye!

This term we are sadly saying goodbye to Mr Anderton who has secured a full time job. We thank him for everything he has done while working for Discovery Vine and wish him the very best for the future.

Discovery Vine App

May we remind you that we have an App that you can download onto your phone. We are using this to improve our communication links between staff and parents with monthly newsletters and push notifications/messages that you will receive once you have registered. You can use the app to view staff profiles, download our prospectus or view a copy of our policies and procedures. You can also use it to change your booking pattern or update your registration details if you wish.
