

Discovery Vine: Longsands Newsletter

April 2017

Themes and Activities

Our focus this month will be Spring for both Pre School and all of After School Club.

We are very lucky this month as we are getting eggs in an incubator and we are going to be able to watch them hatch and watch the chicks grow!

Alongside learning about chicks and their lifecycle, we are going to be learning about a wide variety of plants and animal life cycles. We will become gardeners and learn how to care for different plants and we will plant seeds and watch them grow.

Dates to remember

Monday 1st May we are closed for bank holiday.

We close for this half term on Friday 26th May however we will be open for Holiday Club the week after for 4 days.

Holiday Club will be Tuesday 30th May to Friday 2nd June.

Pre School will re open on Monday 5th June.

Staffing

We apologise for the changes in staffing over the past couple of months however we are hoping this will be the final one for a while. Miss Garbutt has been on Forest School training during the Easter holidays to become Discovery Vine's Forest School Practitioner. With this, Miss Garbutt will be travelling between our three Pre School's and spending a day at each of them and teaching both the children and staff all about Forest School activities and taking part in a range of outdoor activities.

Mrs Johnson and Miss Jones will be working in Pre School and they will be sharing Miss Garbutt's key children until the end of the summer term.

Miss Jones will also be working supervising upstairs during After School Club.

Other Information

If your child attends a School club then please can you let a member of staff know.

Please can all children in Pre School remember to bring any PRE SCHOOL SPARE CLOTHING back as we have completely run out. Also please can you bring a bag of spare clothing in for your child each day, this can be left on their peg, in case they have any toilet accidents or need changing after water play or outdoor play.
